Safety Measures on West Oxfordshire Community Transport Limited during Covid-19 Pandemic

Dear Passengers,

**We need your help to keep risks when travelling on public transport to a minimum.
We ask you to:**

NOT use our bus if you feel unwell

WEAR a face mask. The Government has now said that this essential.

SANITISE your hands on entering the bus

SIT next to a window

SIT at least one seat away from other passengers. Use only those seats indicated as being available

ONLY share a seat if you are from the same household

PAY using a contactless card (if you can only pay by cash, we will only accept the correct amount)

For our part, we will:

SANITISE the buses between each journey and deep clean them with an especially purchased sanitising system at the end of each shift.

PROVIDE our drivers with face masks, gloves and hand sanitiser

PROVIDE an automatic hand sanitiser on each of our buses for use by passengers

FOR those times when there is a high demand, i.e. 215 at 08:55, 10:55 and 214 at 09:20 and 11:20, we will enhance capacity, by running a second bus immediately behind

THE bus will show 'Bus Full' sign when the socially distanced capacity is reached.
